12. In all entries of Live Stock the breeder's name, if known, MUST BE MENTIONED. If omitted, the words, "Breeder Unknown" will be inserted, and in all entries, or Horse and Pure Bred Cattle No. in Stud Book, the names of the sire and dam, if known, also sex and colour, and all ages must be given with exception of aged beasts, for insertion in the catalogue. Competitors in the Jersey Section must state on entry form the ear tattoo.
13. Anyone who breeds Registered Bulls or Rams for sale shall be deemed a Stud Breeder of that particular breed.
14. Exhibitors will be required to state, as accurately as possible, at the time of entry, the date of Birth of all Stock in Classes where the Age is specified.
15. All horses and ponies entered in competitive classes or ring events or parading (whether by invitation or by entry) must be entered in the name of the bona fide owner. All animals must be named at time of entry.
16. Judges of stock in arriving at their decisions are directed not to give undue weight to high conditions (except in the Classes for Prime Stock), but to award the Prizes to the animals in Class, which they consider best represent the particular breed or description intended to be encouraged. The Judges are directed to pass over all those whose want of condition betokens weakness of constitution, however great their merit may be in all other respects. Where there are, in any Class, animals of different ages, the Judges are requested to take such difference into consideration in awarding the Prize: and, also in the case of females, as to whether in our or giving milk, so that want of condition from either of these causes may not militate against the animal possessing the greatest merit: but any animal which in the opinion of the judges, is barren – if not proved to the contrary- shall not be eligible to take a Prize, except in the Prime Stock Classes. No prize will be awarded or paid by the Association unless the exhibits qualify for same in the presence of the Judges.
17. Extra stock, not eligible under any of the enumerated classes, may be exhibited by paying the same Entrance Fees that are charged in similar classes.
18. RAS Resolution (Complaints) Process – the full process can be found on the RAS website [www.ras.org.nz](http://www.ras.org.nz). The principle behind the process is to deal with the matter as it comes to hand and in most cases it should be dealt with directly by the show. If the matter is in regards to an RAS official, the show may request the assistance of RAS Head Office as to how to deal with this in an appropriate manner.
19. Northern A&P Association supports the RAS Yellow Card system. A Yellow Card will be issued, in cases of offences in respect of abuse of animals or inappropriate behaviour as per the RAS Constitution and the RAS Rules & Regulations/Bylaws including the Equestrian Rulebook, the RAS affiliated Show/Event/registered Measuring Stand and their grounds and their duly appointed delegates may deliver to the Person Responsible a Yellow Warning Card (either immediately or within 10 days of the show) which suspends any penalty until possible new offences. Full wording of the 'Yellow Card' system is available to view on the RAS website – [www.ras.org.nz](http://www.ras.org.nz)

20. Attendants in charge of Stock are admitted free, on production of pass, and are subject to the order of the Stewards.
21. All persons admitted into the Show shall be subject to the rules and orders of the Committee, and admittance may be refused to any person who has not paid the correct fee or who does not hold a pass admitting him.
22. Competitors are all expected to observe good manners and etiquette. Unnecessary rudeness may result in a competitor being disqualified from ensuing classes.
23. In classes where measurement is specified all riders/handlers of Horses/Ponies will carry a current, original RAS Certificate and present it on request. Failure to present it will mean elimination from the Show. Equally the name of the entered exhibit must be the same as on the RAS Certificate. Any name discrepancy will mean elimination and confiscation of the RAS Certificate.
24. Correct Number Breastplates must be displayed for each entry in the class, as applicable.
25. Any unruly horse or pony may be asked to leave the ring and/or grounds at the discretion of the Judge or Member in Charge.

33. It shall be an offence to carry any electronic device in the Show Ring, which may give outside assistance to the competitor.
34. Penning other than fixed permanent instalments provided by the Northern A&P Association or approved by the RAS as below are banned and this includes but is not restricted to tape, strings, ropes, chains.
